**FEATURED SPEAKER – CHARLOTTE SAMUELS**

Charlotte Samuels has been a swimmer for as long as she can remember. Now, at the age of seventeen, she holds the world record for the youngest person to complete the Triple Crown of Open Water Swimming. In the summer of 2014, she swam 28.5 miles around

Manhattan Island, 21 miles across the Catalina Channel, and an actual distance of 32 miles across the English Channel. Charlotte may also hold the official record for the fastest completion of the Triple Crown in under 10 weeks. Charlotte has also completed many other swims such as the inaugural 15.1 mile circumnavigation of Cape May in 2013 and the 17.5 mile Ederle Swim from Battery Park, NY to Sandy Hook, NJ. She holds the record for the youngest to complete both of these swims. Charlotte won the Global Marathon Swimming Barra Award for the most impressive year of swimming and has spoken to a wide variety of audiences at many different events and schools throughout NJ and NY. Charlotte swims for the Bergen Barracudas in Mahwah, NJ and is a junior in the Ridgewood Academy for the Health Professions at Ridgewood High School. Charlotte plays an active part in Citizens for Swimming which provides swim instruction and water safety for inner city kids living in Paterson, NJ. Charlotte also plays the violin, enjoys photography and is currently writing a memoir.
