FEATURED SPEAKER
KARLYN PIPES

As a teen Karlyn was coached by two-time Olympic gold-medalist Mike Troy at the Coronado Navy Swim Association. A versatile swimmer, at the age of 15 Karlyn won the 400-yard individual medley while competing at the National Junior Olympics in 1977. Based on her speed, talent and ability she seemed destined for aquatic greatness. That same year, however, she slipped into a dark pattern of alcohol abuse.

Despite having amazing athletic skills, her life was in complete free-fall and she hit rock bottom at age of 31. Gratefully, Karlyn found the strength and resilience to turn her life around by returning to the one thing that had created both the pain and pleasure in her life...the water. Today, she is one of the most accomplished swimmers in the world and to date has set over 220 FINA Masters World records. Karlyn found the COURAGE to change and as a result of her miraculous "DO-OVER" she was inducted into the International Swimming Hall of Fame in 2015.

While Karlyn loves to race, her true passion is teaching others how to swim faster with less effort. She now travels the world offering Faster Freestyle and Multi-stroke swim technique workshops and swim camps and private lessons in Kona, Hawaii. Karlyn has also published her memoir, *The Do-Over, My Journey from the Depths of Addiction to World Champion Swimmer* and autographed copies along with a swim cap, will be available at the event for \$20.

Congratulations to all of our 2017 NJ Masters Swimming Continuous Membership Recognition Award Recipients!
